Meet Evalsy: AI-Powered Hiring Simplified

- 🗋️ Hi, I'm Askar Musthaffa – Co-founder of Evalsy.
- Evalsy is an AI-driven hiring platform that automates candidate interviews.
- We're on a mission to simplify, speed up, and improve hiring decisions for teams everywhere.

Problem

- HR teams are overwhelmed by hundreds of resumes

- Manual screening is time-consuming

- Interviews are inconsistent and slow to schedule

- High cost-per-hire, especially for SMBs

Solution

Evalsy is an AI-powered hiring assistant:

- AI Resume Screening

- Automated Video Interviews

- Instant Interview Invites

- Usage-Based Pricing

Faster, fairer, and cost-effective hiring.

**KR TECH-SAVVY MARKET BUT STILL
HEAVILY RELIANT ON MANUAL
HIRING.**

**HIGH COMPETITION MEANS
COMPANIES NEED FASTER
DECISION-MAKING.**

**OPPORTUNITY TO INTRODUCE AI
HIRING AS A SERVICE THROUGH
LOCAL AGENCIES OR PLATFORMS.**

Why This Matters in Korea

Let's Build This Together

- 🌟 Open to co-founder-level partnership for Korea expansion.
- 💛 Looking for someone with strong market understanding and client access.
- 📈 Potential for equity, revenue share, or strategic partnership.

Next Steps If We Partner

- ◆ Align on ideal pilot clients.
- ◆ Explore localization or branding needs.
- ◆ Define partnership structure (co-founder, reseller, advisor).
- 📅 Let's explore this on our upcoming call!
